Happy New Year!!

School Exit Plan

Thank you, again, for the wonderful cooperation and support we have received from you to help coordinate our new school exit plan.

Just a reminder that **ALL children** being picked up in cars at 3:00pm will be waiting at the **WEST DOOR**. Please do not stop cars at the Kindergarten gate. Please proceed as far west as possible for pick-up to reduce congestion at the 8th and Arbutus intersection.

Construction Updates

Should you have any questions about school construction, please refer to the Principal's Blog on our school website – www.faithandfoundation.com. All updates will be posted there.

Income Tax Receipts

Tax receipts for school tuition as well as letters declaring parish status will be sent home in late January. Tax receipts for St. Augustine's Parish and Faith and Foundation donations will be processed by the parish and will be sent home in February.
