

# From the Office...

June 18, 2015

Dear Parents,

## School Move Project begins Monday, June 22

For those who have signed up for the first WAVE, *please remember that this participation is for adults only. Do not bring children.* Please wear comfortable clothing for packing, carrying and cleaning.

For those who have not signed up, you must do so by tomorrow. To access the parent volunteer portal to sign-up for your tasks and/or to view announcements and messages, go to “**School Move Project**” icon on the school main website, or via the direct link [www.onvolunteers.com/sta](http://www.onvolunteers.com/sta). Contact the Project Manager ([mark.k.werner@gmail.com](mailto:mark.k.werner@gmail.com)) if you have any questions.

## Last Day of Classes Friday, June 19th

Uniforms required. Regular start time. End of year school Mass – 9:30am, all are welcome. Children will bring home their report cards and time sensitive information.

Dismissal – immediately following Mass (approximately 11:15am)

## School Newsletter

A detailed newsletter will be going home with your child’s report card. Please read it carefully as it will contain details about the first days of school. Watch the website over the summer for timely news (we may also use the On-Volunteer Portal as a communications device). These will be our primary method of communication as we will not have internet and phone access throughout the summer.

## Uniform Shop

The uniform shop will be open for approximately one hour immediately following the end of year Mass. Please ensure that you have all items that your child will need for next year. ‘Uniform checks’ will be taking place each month, starting in September.

## Desks

We are unable to give away desks at this time.

Have a great summer!!
