Volunteers

Thank you to all parents for their patience during this transition period in setting up the new OnVolunteer program. While many activities and tasks have already been posted to the portal, some of them have not. For those of you who volunteered for the Walkathon and/or the Cross Country Meet last week, or any other activities not listed in the portal, please keep record of your hours manually and we will give you further instructions in due course.

We are also looking for volunteers for our "School All Bright and New " celebration on Saturday evening Oct. 24th. These jobs are now posted so please visit the portal to see the opportunities available.

Thank you.
