RE-REGISTRATION EVENING & PEC AGM (Thursday, February 23): If you are absolutely unable to attend the PEC AGM, please, drop off your re-registration package for processing during between 1pm and 4pm Wednesday, February 22. In order to plan for seating and refreshments & coffee/tea for the evening, please, follow this link to indicate how many adults will be attending the PEC AGM Thursday: [PEC AGM Sign-Up](#).

YEARBOOK PHOTO REMINDER: Just another reminder that the yearbook team is requesting your photos! If you've been on a field trip or school event and took some photos, we'd love you to share them! You can email

them directly to st.augustineschoolyearbook@gmail.com or you can send us a link to a dropbox location, or you could drop off a USB drive at the front office (which we'll return). There's more info click here: [SAS YEARBOOK](#).

PTT REQUEST: Our PTT decorating team is still looking for large metal coffee cans and large glass jam jars. If you have any large metal coffee cans (no lid is OK) or similar sized can, please, bring them in to the front office. We are also still in need of large and medium glass jam-jars. Think large pickle jars or sauce jars. We don't need the lids but do need the glass on the jar to be flat - no logos etc embossed into it. They can be clear or coloured glass. Thank you for your assistance!
