## **LOOKING AHEAD:**

### **SAS BAND CONCERT**

(Wednesday, March 8 at 1:00pm in the gym)

**CLASS PHOTOS** (Thursday, March 9): Students must wear complete uniforms.

### **YEARBOOK PHOTO**

**REMINDER:** Just another reminder that the yearbook team is requesting your photos! If you've been on a field trip or school event and took some photos, we'd love you to share them! You can email them directly to [st.augustineschoolyearbook@gmail.com](mailto:st.augustineschoolyearbook@gmail.com) or you can send us a link to a dropbox location, or you

could drop off a USB drive at the front office (which we'll return). There's more info click here: [SAS YEARBOOK](#).

**PTT REQUEST:** Our PTT decorating team is still looking for large metal coffee cans and large glass jam jars. If you have any large metal coffee cans (no lid is OK) or similar sized can, please, bring them in to the front office. We are also still in need of large and medium glass jam-jars. We don't need the lids but do need the glass on the jar to be flat - no logos etc embossed into it. They can be clear or coloured glass. Thank you!

## **A WORD FROM FAITH & FOUNDATION**

### **ST.AUGUSTINE SCHOOL THIRD FLOOR CONSTRUCTION UPDATE**

Dear parents,

As you know, the second phase of construction of our school building includes completion of the third floor. We are pleased to let you know this construction will begin in early March.

Although work will be done inside the school, there will be minimal disruption to learning and to the school day. The work will be done in full compliance with all city bylaws and the grounds will remain safe for all during the school day.

As always, our first priority is to ensure the safety of our children and school community.

There will be construction and trades people on-site, along with their associated vehicles, materials and equipment.

We anticipate completing the work in late spring.

As we have throughout the school's construction, it is our intention to be respectful of our school community and of our neighbours.

If you have any questions, please contact the Faith and Foundation Office at 604-736-4455, ext 231.
