## PASS THE TORCH

Day-by-day and month-after-month, from the moment school started in September, and even as far back as last year's PTT when I first met many of you, it has been incredible for me to see how much joy we celebrate and share at St. Augustine!

Words cannot express the gratitude that I feel, and I must say a special thank you to all the coordinators and volunteers for their undying commitment, passion, and tireless work to ensure the success of this important event! The behind the scenes work that is required for such an event can often be overlooked or taken for granted. I do not for one second take these for granted. We are immeasurably grateful for all you have done.

A tremendous thanks in particular to Helen Velasquez and Dorothy Patzer and their entire PTT Team. An event like this does not materialize on its own. Thank you and congratulations on yet another successful and incredible event.

Of course, last but certainly not least, in gratitude and love for all who were able to attend Saturday evening, whether it was your 15th PTT or your first PTT, we are so very grateful for your presence this year.

I feel so proud and so very blessed to be part of this loving parish school family.

Thank you for your selfless generosity. Thank you for all that you have done and all that you continue to do to support our parish, our school, and Catholic Education.
