St. Augustine's Parish – Guidelines for Official Donation Receipts for Income Tax Purposes

An original receipt for the product being donated **MUST** be attached to the Donation Form in order to receive a tax receipt. Please note that to be eligible for a tax receipt, all donations of items purchased by a donor must be supported by sales receipts.

- Tax receipts can only be issued for gifts of property.
- Tax receipts cannot be issued for gifts of services.
- Tax receipts can be issued for gift cards or gift certificates only when the items are purchased by a donor from a third party and supported by sales receipts.
- Tax receipts will not be issued to businesses or business owners for gift certificates or gift cards.
- Businesses that donate product from inventory must provide proof of both the regular selling price and the product cost. A tax receipt will be issued for the lesser of the two amounts.
- Donations of personal property (such as paintings, antiques, etc.) require an independent appraisal.
